

**One Voice Parents Forum are hosting the IPSEA
Foundation training for Parents and Carers**

This one day introductory level course is aimed specifically at parents and aims to provide them with an overview of the law relating to children and young people with special educational needs and disabilities (“SEN”). The course will provide information on the law, guidance, policy and practice and but also aims to show parents how they can begin to use the law to gain support for their child with SEN.

Please visit the IPSEA link below for further information on this course
